

Institute of Computer and Information Sciences

(The First IT and Management Based Degree College in the District of Bankura)

BCA(Hons.) & BBA(Hons.)

Affiliated to
BANKURA UNIVERSITY

www.iciscollege.org.in

An open call from the chairman's Desk:

Let The Olympic Mottos "CitiusAltius, Fortius": meaning- "Faster, Higher, Stronger" be our inspiration.

Look at the global scenario, the fast growing Industrialisation, tremendous competitive race in this Hi-Tech age. So equip yourselves with proper education and training to develop your skills. Go in for need-based, job-oriented professional courses. You'll have no unemployment problem. Rather situations will summon you. Also mark the rapid expansion, incredible magnitude and sweeping growth in the IT sector all over the globe. Talented, efficient and skilled technologists from India are surging ahead and making a mark even in the USA and Europe.

Let us look at the problem locally, we find lots of youth flock to other states for this type of professional education and that too, spending an exorbitant amount every year.

In this part of the developing district of Bankura, the scope for creating career opportunities being rather more limited, The Institute of computer and Information Sciences (ICIS) came forward with Courses like BCA (H) and BBA (H) from 2001 with Affiliation from the University of Burdwan.

From the year 2018 Bankura University, its main campus being less than a Kilometer away from the location of the College (ICIS) has been considerate and kind enough to accord affiliation to ICIS, offering courses BCA(H) and BBA(H).

Here In our college ICIS you will have the kind of education and training and scope for your skill development to reach success in life. So why go elsewhere ? come, join us and get established in life.

The College

There is no denying the fact, that to cater to the needs of the global scenario of the rapid growth, development and manifold industrial expansions, technology and high tech management must have the pivotal role and to meet these demands, focused and specialized education and rigorous training is imperative.

ICIS College is the answer to these needs and demands. Here our vision is to create and develop a unique environment for tailor made education and training in the field of IT and Management, and to prepare a band of youth equipped with up to date knowledge and technical skills to challenge the changing trends of the time is our mission. The college has the high end infrastructure, a wide campus, a large three storied building with spacious halls and class rooms, well-furnished library and laboratory, experienced and energetic full time faculty and all that.

ICIS College, Bankura is the first IT and Management based Degree College in the district of Bankura, offering at present BCA (H) and BBA (H) courses affiliated to **University of Bankura**. These are all regular, fulltime, three year honours degree courses.

The Administrative building and college campus is located at Kamladanga , at the outskirts of Bankura town on the NH-60, situated in the midst of open, attractive, scenery of nature, The calm, quiet and serene situation of the area is charming. Established in 2001, the college has been running quite smoothly and satisfactorily, catering to the needs of our youth.

The University

From the session 2018 the college is affiliated to Bankura University. Its Main campus is only less than a kilometer away from the location of our college on NH 60 at Kamladanga, P.O. -Purandarpur, Dist- Bankura.

Bankura University has started its journey only recently, Bankura University Act was, passed in 2013 the Functioning committee was formed in 2014 and the First Statute of the University published in 2016. Though the seed was sown very recently the sooting plant is now grown up into a full-fledged big tree, spreading its branches and leaves all around and the young aspirants are having repose under its soothing shade.

Now our University is a sacred center of learning in this locality, with so many disciplines in Humanities and Science studies and research. Recently the University has introduced some job-oriented courses with social and ecological values like Forestry, Fishery, and EVS etc. We are proud of our association with this University.

Our Background

Established in 2001 by BICIS a Registered Society with the object of expansion of education and welfare activities in this remote area of the developing district of Bankura, ICIS College offering BBA (H) and BCA (H) has been running smoothly and satisfactorily. It is the only self-financed college in Bankura to offer IT and Management education and training to the young aspirants of the area. Here our aim is academic excellence, without any compromise with quality and good management. It is backed by a band of dedicated, well-qualified faculty, well stocked library, well-furnished laboratory and with open campus and other infrastructure facilities:-

Building

The college is housed in a large three storeyed building, with spacious and well-ventilated class rooms, multipurpose hall, office room, staff-room, separate common room for boys and girls, wide corridors and toilets. The built-up area is 25,000 sq. ft.

Laboratory

Software Lab:

The college has well-furnished software laboratory with adequate number of Terminals and Thin Clients with Servers with Windows 2007, Linux Operating System with Backup facility. Terminals are connected with the Server through GBPS Ethernet LAN. In addition to normal class hours, students are provided with extra practical class in the laboratory to make our students different from others, we give personal attention to and take constant care of our students.

Digital Electronics Lab :

As the Software Lab, the digital electronics laboratory is also well furnished with sufficient number of Digital Logic Trainer Kit, Oscilloscope, IC Chips, Power Supply, Modulation Domain Analyzer, Signal Generator etc. In addition to normal Lab. Our students are provided with extra Lab Class in the Laboratory.

ICIS College on the e-Net.

From our official Web Site www.iciscollege.org.in anyone can have access to all sorts of information about the college, the courses and its activities. Rules and regulations, Notices, list of teaching and Non-teaching staff and other relevant details can be received. Parents and Students can have direct interaction with the College authorities and with their teachers through our 'On-Line' Interaction Programmed with faculties.

Faculty

ICIS College can be proud of its members of faculty and staff. They are well qualified, experienced energetic and sincere. Besides the full time and part-time teachers' eminent scholars, experienced in the fields, are invited as guest lecturers.

Library and Information Centre

Library Information is the most important input in the making of "Knowledge Workers" A modern library has a great responsibility in harnessing and utilizing information. The ICIS College Library and Information Center strives for a high quality of library services, which emphasizes on the actual delivery of information and it keeps pace with the ever-changing demands of the times. The college has a well-stocked library, containing various Publications, Books, Magazines and Periodicals related to the courses, Students can avail of the library facilities immensely. There is also a Reading Room which students can use all long.

Games and Sports

The college has adequate arrangements for games and sports-both outdoor and indoor games. The outdoor games like football, cricket, volleyball, badminton etc. are regularly practised by the students. We have separate field and court for different games. Student's also play carrom board, table tennis etc. in their off time. Matches and in-house tournaments are also held regularly.

Canteen /Cafeteria

We have quality canteen in our college campus. Snacks, Tea, Tiffin and Lunch Meals are supplied to students and stuffs at reasonable rate.

Educational Methodology

Admission procedures :

After succeeding in the 10+2 examination, the candidates will have the option to get admitted in the college (if sits are available). Application for admission are to be submitted in the prescribed form obtained from our college office. Cost of the prospectus and admission form is mentioned in the fees structure.

Application form has to be deposited by hand at the college office. The following documents should be submitted along with the application form.

1. Self-Attested copies of Mark Sheet and Certificate of various examination passed.

Semester-VI: Tuition Fee	14,000.00	Semester-VI: Tuition Fee	11,500.00
Grand Total:	₹ 94,500.00	Grand Total:	₹ 79,500.00

Note: In addition to the above fees students are required to pay Registration Fee, Enrollment Fee, Examination Fee, Centre Fee and any other fee notified by the university which is not mentioned above.

University Registration & Enrollment

After admission procedures, the date and documents required for Registration & Enrollment will be notified in due course.

Examination

From the Academic Session 2018 onwards New CBCS Syllabus and Question Pattern will be followed. Examination will be held in Semester System. Every year, there will be two semester examinations and during the full tenure of three years there will be six semester examinations. Besides the above university examinations there will be internal examinations through class assignments.

Attendance

A degree student must attend at least 75% of the classes held during the entire period of his/her course of study to appear at the University examination as a collegiate student. Attendance of above 60% but below 75% enables a student to be a non-collegiate examinee. Every student in frequent absence or irregularity in attendance may warrant and subsequent dismissal. Attendance less than 60% will make a student dis-Collegiate and less than 75% will make him/her non-collegiate.

Identity Card

An identity card will be issued to each student of ICIS College which will contain an SID No. (Student Identity Number) and other information such as Name, Address, Mobile No., E-mail ID, Blood Group, Course and Session, students are to submit certificate for their blood group.

Dress Code

For maintaining uniformity among the students of the ICIS College the college has introduced its dress code which is compulsory for the students.

• For Boys :

The uniform will be Dark Black Pant & Blue Check Shirt, Neck Tie and Black Shoes with White Socks.

• For Girls :

It will be Blue Check Shirt, Black Trousers, and Neck Tie/ Black Salwar, Blue Check Kameez, and Black Orna.

IT Management Development Programme

The college will aim at creating "IT Professional cum Managers" instead of just IT professionals. The technical education of the students will be supplemented by IT Management Development Programme (ITMDP) and specialized training imparted to the students.

- ♦ Communication Skills
- ♦ Group Discussion(GD) and Interview

Date: 17-03-2020

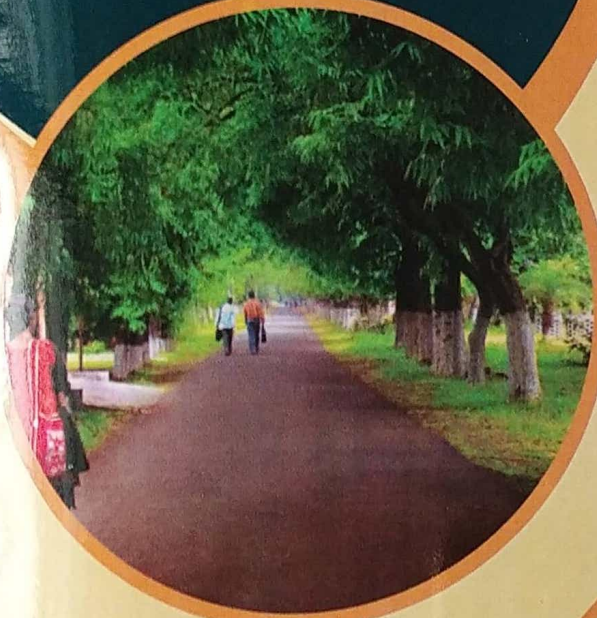

Respected Sir,

We are highly pleased to have entered into a collaboration with your esteemed college regarding Placement and related matters in our company.

We also extend the offer so that both parties can use the logo of the other parties for demonstrating the mutual understanding and partnership contained in the Understanding, on approval in writing or as confirmed over email correspondence, of the exact context of use, and as approved in each instance.

Taking this opportunity I would also like to Thank You for the opportunity to interact with the wonderful batch of Fresh minds of you college during our visit. We would like to have such interactive sessions in the near future as well in the aim to build a more informed mass of students looking for a secure career in their lives.

Regards,
Sumana Sanyal
